It's Only (feat. Zyra)

ODESZA

I heard the news today; That you're not mine to keep. Don't struggle too much now While I kill you in your sleep. What is lust if it's not being by yourself? I won't be gentle to the body on the shelfIt's only water It's only fire It's only loveIt's only slaughter We're only liars It's only blood They're only thoughts that I'm having; Thoughts safe within my head. You're only crying You're only dying You're only red.I heard the news today, That you weren't mine to save I hope that you're comfortable In the quiet lasting graveWhat is lust if it's not being by yourself? I won't be gentle to the body on the shelf.It's only water It's only fire It's only loveIt's only slaughter We're only liars It's only blood They're only thoughts that I'm having; Thoughts safe within my head. You're only crying You're only dying You're only deadIt's only water It's only fire It's only loveIt's only slaughter We're only liars It's only bloodThey're only thoughts that I'm having; Thoughts safe within my head. You're only crying You're only dying You're only dead Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
