Stitches

Shawn Mendes

I thought that I'd been hurt before But no one's ever left me quite this sore Your words cut deeper than a knife Now I need someone to breathe me back to lifeGot a feeling that I'm going under But I know that I'll make it out alive If I quit calling you my lover And move on You watch me bleeding till I can't breathe Shaking, falling onto my knees And now that I'm without your kisses I'll be needing stitchesTripping over myself Aching, begging you to come help And now that I'm without your kisses I'll be needing stitches Just like a moth drawn to a flame Oh, you lured me in, I couldn't sense the pain Your bitter heart, cold to the touch Now I'm gonna reap what I sow I'm left seeing red on my ownGot a feeling that I'm going under But I know that I'll make it out alive If I quit calling you my lover And move on You watch me bleeding till I can't breathe Shaking, falling onto my knees And now that I'm without your kisses I'll be needing stitchesTripping over myself Aching, begging you to come help And now that I'm without your kisses I'll be needing stitches Needle and the thread Gotta get you out of my head Needle and the thread Gonna wind up deadNeedle and the thread Gotta get you out of my head Needle and the thread Gonna wind up deadNeedle and the thread Gotta get you out of my head Needle and the thread Gonna wind up deadNeedle and the thread Gotta get you out of my head Get you out of my headYou watch me bleeding till I can't breathe Shaking, falling onto my knees (falling on my knees) And now that I'm without your kisses I'll be needing stitches (and I'll be needing stitches)Tripping over myself

Aching, begging you to come help (begging, baby, please) And now that I'm without your kisses I'll be needing stitchesAnd now that I'm without your kisses I'll be needing stitches And now that I'm without your kisses I'll be needing stitches Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
