

# Confetti Falling

## Big Time Rush

WhoahOh, Ooh  
Celebration  
All this talk about being in love  
I could never get into the partyNever really understood what it was  
Like what's the big deal anyway?  
Oh, but I decided I should give it a try  
The very moment that you gave me the invite  
I've never seen anything like it before  
Once you open the door  
See I was like...  
Oh yeah yeah don't get any better  
Oh yeah yeah wish that this was forever  
Your heart calling  
Feels like confetti falling  
And it's a celebration  
(Whoah Oh)Feels like a celebration  
(Whoah Oh)  
Cause your heart calling  
Feels like confetti falling down, down, down.And everybody's gonna make an appearance  
Even the butterflies came, what a feeling.  
And then bliss came with Mr. First-Kiss  
It was better than they ever explained it  
I think I even saw Cupid flying 'round  
I caught a glimpse before the lights went down  
And when I turn to see the stars in your eyes  
I realize...  
And I was like  
Oh yeah yeah don't get any better  
Oh yeah yeah wish that this was forever  
Cause your heart calling  
Feels like confetti falling(Oh Yeah, Yeah)  
And it's a celebration  
(Whoah Oh)  
Feels like a celebration  
(Whoah Oh)  
Cause your heart calling  
Feels like confetti falling down, down, down.See I know it's getting late  
Only wish the sun would wait  
And let this party last a little longer, yeah.  
See I know love it comes and goes  
But this right hereI don't think that I ever want to let it go  
I wish I would've known....

All this talk about being in love  
I could never get into the party  
Now I understand only because  
You show me the way  
And I was like...  
Oh yeah yeah don't get any better Oh yeah yeah wish that this was forever  
Your heart calling  
Feels like confetti falling  
And it's a celebration Feels like a celebration  
Cause your heart calling  
Feels like confetti falling down, down, down.  
Whoa Oh down, down, down  
Whoa Oh  
Your heart calling  
Feels like confetti falling down, down, down.  
Whoa Oh down, down, down  
Whoa Oh  
Cause your heart calling  
Feels like confetti falling down, down, down.
