You're just saying imagine if we friend  
Dangerous through my pursuit of happiness  
Trouble is bout to get me in dealing You got your good for anxious  
You got your good for bad  
You wear some shoes and have them, it help now where we stand  
It's that ain't no hat 4 that, ain't no hat 4 that  
No ain't no hat 4 that, ain't no hat 4 that Some say her temperante is a trap for us  
She's only nice when something's upstate  
And speaking for her friends there is a castuas  
We paid the paparazzi, and that we noo  
You got your good for anxious  
You got your good for bad  
You wear some shoes and have them, it help now where we stand  
It's that ain't no hat 4 that, ain't no hat 4 that  
No ain't no hat 4 that, ain't no hat 4 that Shopping for your superficial treasures  
Stop shoulder offering you house  
Stranger to the simpler things of pleasure  
Distance is to you a work of art You got your good for anxious  
You got your good for bad  
You wear some shoes and have them, it help now where we stand  
It's that ain't no hat 4 that, ain't no hat 4 that  
No ain't no hat 4 that, ain't no hat 4 that  
You got your good for anxious  
You got your good for bad  
You wear some shoes and have them, it help now where we stand  
It's that ain't no hat 4 that, ain't no hat 4 that  
No ain't no hat 4 that, ain't no hat 4 that You got your good for anxious  
You got your good for bad  
You wear some shoes and have them, it help now where we stand  
It's that ain't no hat 4 that, ain't no hat 4 that  
No ain't no hat 4 that, ain't no hat 4 that Ain't no hat 4 that, ain't no hat 4 that
