## Collective Soul

You're now thirsty  
Walking in the desert all alone  
You're now searching  
Lost in isolation from your soul  
from the bullets you bite  
to the pain you request  
You're finding them harder to digest  
When the answers you seek  
Are the ones you destroy  
Your anger's well de ployed Why can't you listen  
Why can't you hear  
Why can't you listen  
As love screams everywhere  
You now hunger  
Feeding your mind with selfishness  
You now wander  
Aimlessly around your consciousness  
When your prophecies fail  
When your thoughts become weak  
Silence creates necessity  
When you're clothing yourself  
With the shields of despair  
Your courage now impaired Why can't you listen  
Why can't you hear  
Why can't you listen  
As love screams everywhere  
You crucify all honesty  
No signs you see do you believe  
And all your words just twist and turn  
Reviving just to crash and burn  
Fighting till the bitter end  
If only your heart could open  
Up and listen Why can't you listen  
Why can't you hear  
Why can't you listen  
As love screams everywhere Why can't you listen  
Why can't you hear  
Why can't you listen  
As love screams everywhere
