

# Change Your Life

## Little Mix

She captures her reflection then she throws the mirror to the floor  
Her image is distorted screaming, "Is it worth it anymore?"  
No-oh-oh Are you scared of the things that they might put you through? Does it make you  
wanna hide the inner you?  
You're not the only one so let them criticize, oh oh oh oh  
You're untouchable when you realize, oh oh oh Change, change your life, take it all  
We're gonna stick together, know we'll get through it all  
Change, change your life, take it all ({Perrie:} Yeah, take it all)  
You're gonna use it to become what you've always known  
Become what you've always known)  
His body starts to flicker like nobody wants to know his name  
Just another soul with feelings but nobody's there to feel the pain  
No, no, no They can rip you, bring you down, down to their size  
But they will never get to the heart you hold inside  
Mm, mm, mm You're not the only one so let them criticize, oh oh oh oh You're untouchable  
when you realize, oh oh oh  
Change, change your life, take it all ({Perrie:} Take it all)  
We're gonna stick together, know we'll get through it all ({Jade:} I know we'll get through it all)  
Change, change your life, take it all (Yeah, take it all) You're gonna use it to become what  
you've always known  
(Become what you've always known)  
Change, change your life, take it all  
(Change your life and take it all)  
Change, change your life, take it all  
(Change your life and take it all)  
You got a right to show the world  
Something never seen  
We wanna hear you scream it out  
You're not alone  
Oh, whoa  
Oh, yeah  
Change, change your life, take it all (Take it all)  
We're gonna stick together, know we'll get through it all (We're invincible)  
Change, change your life, take it all (Change your life and take it all)  
You're gonna use it to become what you've always known  
(Become what you've always known)
