

The Champ

Nelly

Hey, hey, ah
Let's go, let's go , let's go, let's go
Let's go, let's go , let's go, let's go
Hey, ah, ah, ah, ah, ah Ever since I was a kid, I was dreamin' bout this
First day of practice, I was thinkin' bout this
Picture on the news, Yeah they see about this
Even in the paper, they goin' read about this
Cause all of my life, Training day in and night
I'm preparin' to fight, for everyone that believed in
Crowds going insane, yeah they screamin' my name
While we sprayin champagne
There's nothing nobody can say
Cause today is the day
Is the day that I have always dream of, and forever
When you call me, you call me the champ, of the world
I can raise my hand,
I can scream out the best in the world, whole world
All my blood, sweat, and grind was all for this time Lap after lap
Mile after mile
Push-up after push-up,
Everybody counted out (one)
Everybody up, now we back down (two)
All our pain and sweat was for this moment right now
All from different places but we came with each other
We came together as a team, but we leaving as brothers
Standing next to one another while we holding our colors
Ima look into the camera and tell my mama i love her
Cause today is the day
Is the day that I have always dream of, and forever
When you call me, you call me the champ, of the world
I can raise my hand,
I can scream out the best in the world, whole world
All my blood, sweat, and grind was all for this time Today is the day
Is the day that I have always dream of, and forever
When you call me, you call me the champ, of the world
I can raise my hand,
I can scream out the best in the world, whole world
All my blood, sweat, and grind was all for this time Today is the day
Is the day that I have always dream of, and forever
When you call me, you call me the champ, of the world
I can raise my hand,
I can scream out the best in the world, whole world

All my blood, sweat, and grind was all for this time
