## **Both Hands**

## Ani DiFranco

I am walking
out in the rain
and I am listening to the low moan
of the dial tone again
and I am getting
nowhere with you
and I can't let it go

and I can't get through...The old woman behind the pink curtains and the closed door

on the first floor

she's listening through the air shaft to see how long our swan song can last

And both hands
now use both hands
oh, no don't close your eyes
I am writing

graffitti on your body I am drawing the story of

how hard we triedI am watching your chest rise and fall

like the tides of my life, and the rest of it all

and your bones have been my bedframe and your flesh has been my pillow

I am waiting for sleep to offer up the deep with both hands Oh! both hands

And in each other's shadows we grew less and less tall and eventually our theories couldn't explain it all and I'm recording our history now on the bedroom wall and when we leave the landlord will come and paint over it allAnd I am walking

out in the rain

and I am listening to the low moan of the dial tone again and I am getting nowhere with you

and I can't let it go
and I can't get though
So now use both hands
please use both hands
oh, no don't close your eyes
I am writing graffitti on your body
I am drawing the story of how hard we tried
