

# Take Me to Your Heart

## Eurythmics

Take me to your heart  
Take me to your heart  
Take me to your heart  
Take me to your heartTime after time  
I try to contact you  
And time after time  
I try to talk to youBut you don't take me to your heart  
Take me to your heart  
Take me to your heart  
Take me to your heart  
When I'm alone  
I think you're near me  
It's good to pretend  
That you're with meWhy don't you take me to your heart?  
Take me to your heart  
Take me to your heart  
Take me to your heartTime after time  
I try to contact you  
And time after time  
I try to talk to youBut you don't take me to your heart  
Take me to your heart  
Take me to your heart  
When I'm alone  
It's good to pretend  
Take me to your heart  
Take me to your heart  
It's good to pretend  
Time after time
