

Take Me to Your Heart

Eurythmics

Take me to your heart
Take me to your heart
Take me to your heart
Take me to your heart Time after time
I try to contact you
And time after time
I try to talk to you But you don't take me to your heart
Take me to your heart
Take me to your heart
Take me to your heart
When I'm alone
I think you're near me
It's good to pretend
That you're with me Why don't you take me to your heart?
Take me to your heart
Take me to your heart
Take me to your heart Time after time
I try to contact you
And time after time
I try to talk to you But you don't take me to your heart
Take me to your heart
Take me to your heart
When I'm alone
It's good to pretend
Take me to your heart
Take me to your heart
It's good to pretend
Time after time
