

# Lifelines

a-ha

One time, to know that it's real  
One time, to know how it feels  
That's all.

One call, your voice on the phone  
One place, a moment alone  
That's all. What do you see?  
What do you know?  
What are the signs?  
What do I do?

Just follow your lifeline through.  
What if it hurts?  
What then?  
What do you do?  
What do you say?

Don't throw your lifelines away.  
Don't throw your lifelines away. One time, just once in my life  
Yeah, one time, to know it can happen... twice.

One shot, of a clear blue sky  
One look, I see no reasons why we can't  
One chance to be back to the point where  
Everything starts.

One chance, to keep it together Things fall apart.  
Once I make us believe it's true. What do you see?  
Where do we go?  
What are the signs?  
How do we grow?

By letting your lifeline show.  
What if we do?  
What up to now?  
What do you say?  
How do I know?

Don't let your lifeline go...  
Don't let your lifeline go...  
Ahaha...

Don't let your lifeline go...
