

I Believe

R. Kelly

(In small towns and big cities we came together
as democrats, republicans and independents to stand up and say
that were one nation, we are one people, and our time for changed has come)
eh eh eh hey hey hey wooh eh eh eh hey hey hey
I believe, I believe, I believeoh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
Oh, I believe, I believe, I believe
oh, IWhen the mountain seem too high
and you don't have the courage nor the strength to climb
and the road you're on won't end
but still you run
though you cannot see the finish line
and dark clouds are over youyour skies no longer blue
you marched on strainght ahead
somehow you made it through
go to the mountainthey left a path for me
your victory made history and nowI believe, I believe, I believe
oh, I believe, I believe, I believeoh, I believe, I believe, I believe
oh, I believe, I believe, I believe
oh, I
When it felt like you were weak
and coldn't fight no more
on the ropes
an it seemed like you was gonna run out of breath
when the world was on you shoulder
and the walls were in you way
you leaped and made it over
through it all you kept the faithwhith hope you set us freeyou showed us how to dream
and now we can lift our voicesand forever singnow's the time to look ahead
and thank our hero's of the past
and celebrate this victory
let's raise the flag cause
I believe, I believe, I believeoh, I believe, I believe, I believe
oh, I believe, I believe, I believe
oh, I believe, I believe, I believe
oh I
and when they tried keep you down
you kept up your headnever losing sight
you believed in what was right
you endured to the end
walked through the strongest wind
the storm's over and a new day begins

and when our hope was dying you brought us healing
and now I got something
to tell my children
I believe
oh I believe (I believe, I believe)
oh I believe (I believe, I believe)
oh oh, I believe (I believe, I believe) yeah, I believe
I believe
that a change is gonna come
yes' it will, yes' it will
see I believe in the future
that a change is coming to america
stand up, stand up, stand up, stand up, stand up, stand up
lift every voice and sing
I believe (hey) I believe
oh I believe
that the soldiers are coming home
yeah
I believe, I believe, I believe
that it won't be long
that a change is gonna come
say it
I believe, yes!!
