## With or Without You

## **Sweet Little Band**

See the stone set in your eyes

See the thorn twist in your sideI wait for youSleight of hand and twist of fate

On a bed of nails she makes me wait

And I wait without youWith or without you

With or without youThrough the storm we reach the shore

You give it all but I want more

And I'm waiting for youWith or without you

With or without you

I can't live

With or without you

And you give yourself away

And you give yourself away

And you give

And you give

And you give yourself awayMy hands are tied

My body bruised, she's got me with

Nothing to win and

Nothing left to loseAnd you give yourself away

And you give yourself away

And you give

And you give

And you give yourself awayWith or without you

With or without you

I can't live

With or without you

With or without you

With or without you

I can't live

With or without you

With or without you
