

# Lucky Ones

## Lana Del Rey

Let's get out of this town, baby we're on fire  
Everyone around here seems to be going down, down, down  
If you stick with me, I can take you higher, and higher  
It feels like all of our friends are lost  
Nobody's found, found, found I got so scared, I thought no one could save me  
You came along scooped me up like a baby Every now and then the stars align  
Boy and girl meet by the great design  
Could it be that you and me are the lucky ones? Everybody told me love was blind  
Then I saw your face and you blew my mind  
Finally, you and me are the lucky ones this time  
Boy, get into my car, got a bad desire  
You know that we'll never leave if we don't get out now, now, now  
You're a careless con, and you're a crazy liar  
But baby, nobody can compare to the way you get down, down, down I tried so hard to act nice  
like a lady  
You taught me that it was good to be crazy Every now and then the stars align  
Boy and girl meet by the great design  
Could it be that you and me are the lucky ones? Everybody told me love was blind  
Then I saw your face and you blew my mind  
Finally, you and me are the lucky ones this time Feels like, feels like, you know,  
It feels like falling in love for the first time  
Feels like, you know,  
It feels like falling in love  
Every now and then the stars align  
Boy and girl meet by the great design  
Could it be that you and me are the lucky ones? Everybody told me love was blind  
Then I saw your face and you blew my mind  
Finally, you and me are the lucky ones this time
