

Dear Mr. Fantasy

Big Sugar

(S. Winwood/J. Capaldi/C. Wood)Dear Mr. Fantasy, play us a tune
Something to make us all happy
Do anything, take us out of this gloom
Sing a song, play guitar, make it snappyYou are the one who can make us all laugh
But doing that, you break out in tears
Please don't be sad, was a strange mind you had
We wouldn't have known you all these years
Dear Mr. Fantasy, play us a tune
Something to make us all happy
Do anything, take us out of this gloom
Sing a song, play guitar, make it snappyDear Mr. Fantasy, play us a tune
Something to make us all happy
Do anything, take us out of this gloom
Sing a song, play guitar, make it snappy
You are the one who can make us all laugh
But doing that, you break out in tears
Please don't be sad, was a strange mind you had
We wouldn't have known you all these years
