

The Force of Gravity

Force Of Gravity

By: BT featuring JC Chasez

JC sings all vocals Remember the words we use to speak

The promises made have turned to all apologies

The weight of the storm of memories

Still you're flying to fight the force of gravity (Force of gravity...) Remember the words we use
to speak

The promises made have turned to all apologies

The weight of the storm of memories

Still you're flying to fight the force of gravity I remember the days I still could breathe

Now I'm sinking beneath, the waves are crashing over me

The empty space I lay between

Is all that's left of where our love was meant to be

The force of gravity Do you cry your eyes asleep?

Is it peace you seek at night when your body's weak?

Did it leave you with the scars, of a war-torn ravaged heart?

Do you cry your eyes asleep? (Do you cry...) Do you cry your eyes asleep?

Is it peace you seek at night when your body's weak?

Did it leave you with the scars, of a war-torn ravaged heart?

Do you cry your eyes asleep? Do you cry your eyes asleep?

Is it peace you seek at night when your body's weak?

Did it leave you with the scars, of a war-torn ravaged heart?

Do you cry your eyes asleep? Do you cry your eyes asleep? (Do you cry...) (Do you cry...)

Do you cry your eyes asleep?

Is it peace you seek at night when your body's weak?

Did it leave you with the scars, of a war-torn ravaged heart?

Do you cry your eyes asleep?

(Asleep...)
