

Did Ya

BoA

Guess you lose and it's too late to try to come back
What part of no don't you understand? Too bad
There you go down with yesterday's news in the trash can
I got no time to be looking back, I'm past that
And now you wanna change, it's too little too late You shoulda loved me right when you had me
(shoulda shoulda but you didn't did ya?)
You shoulda known I'm not gonna sit around
And wait for you to get your act together, shoulda known better
Don't say you wanna, don't say you were gonna
You shoulda loved me right but you didn't, did ya?
Gotta a new place, a hot ride, this Gucci handbag
to match my kicks and my brand new plan, hey now
Why the look of confusion? Oh sorry, my bad
Forgot to mention my brand new man, take that
Say you wanna change, it's too little too late You shoulda loved me right when you had me
(shoulda shoulda but you didn't did ya?)
You shoulda known I'm not gonna sit around
And wait for you to get your act together, shoulda known better
Don't say you wanna, don't say you were gonna
You shoulda loved me right but you didn't, did ya? Take a good look 'cause it's the last you'll
see of me
(Take a good look, take a good look baby)
Memorize this, all you have are memories
(Memorize this, 'cause it's all you get to keep)
No words, no rings, not a damn thing is gonna bring me back to you
I'm so over you
You shoulda loved me right when you had me
(shoulda shoulda but you didn't did ya?)
You shoulda known I'm not gonna sit around
And wait for you to get your act together, shoulda known better
Don't say you wanna, don't say you were gonna
You shoulda loved me right but you didn't, did ya?
