Did Ya

BoA

Guess you lose and it's too late to try to come back
What part of no don't you understand? Too bad
There you go down with yesterday's news in the trash can
I got no time to be looking back, I'm past that
ad now you wanna change, it's too little too lateYou should a loved me right wh

And now you wanna change, it's too little too lateYou shoulda loved me right when you had me (shoulda shoulda but you didn't did ya?)

You shoulda known I'm not gonna sit around

And wait for you to get your act together, should known better

Don't say you wanna, don't say you were gonna

You shoulda loved me right but you didn't, did ya?

Gotta a new place, a hot ride, this Gucci handbag

to match my kicks and my brand new plan, hey now

Why the look of confusion? Oh sorry, my bad

Forgot to mention my brand new man, take that

Say you wanna change, it's too little too lateYou shoulda loved me right when you had me (shoulda shoulda but you didn't did ya?)

You should known I'm not gonna sit around

And wait for you to get your act together, should aknown better

Don't say you wanna, don't say you were gonna

You should loved me right but you didn't, did ya?Take a good look 'cause it's the last you'll see of me

(Take a good look, take a good look baby)

Memorize this, all you have are memories

(Memorize this, 'cause it's all you get to keep)

No words, no rings, not a damn thing is gonna bring me back to you

I'm so over you

You should loved me right when you had me

(shoulda shoulda but you didn't did ya?)

You shoulda known I'm not gonna sit around

And wait for you to get your act together, should a known better

Don't say you wanna, don't say you were gonna

You should loved me right but you didn't, did ya?
