

# Molly's Chambers

## Kings of Leon

Free -- that's all that she can bleed  
That's why'll she'll never stay  
White -- bare naked in the night  
An' lookin' for some play  
Just another girl that wants to rule the world  
At any time or place  
And when she gets into your head  
You know she's there to stay You want it  
She's got it  
Molly's chamber gonna change your mind  
She's got your -- your pistol!  
Molly's chamber gonna change your mind  
Molly's chamber gonna change your mind  
Slow -- she's burnin' in your soul  
With whispers in your ear  
It's okay, I'll give it anyway  
Just get me out of here  
You'll plead -- you'll get down on your knees  
For just another taste  
And when ya think she's let ya in  
That's when she fades away You want it  
She's got it  
Molly's chamber gonna change your mind  
She's got your -- your pistol!  
Molly's chamber gonna change your mind  
Molly's chamber gonna change your mind  
You want it  
Well she's got it  
Molly's chamber gonna change your mind  
She's got your -- your pistol!  
Molly's chamber gonna change your mind  
You want it  
Well she's got it  
Molly's chamber gonna change your mind  
She's got your -- your pistol!
