

# U Don't Know (feat. Wayne Coyne)

## Alison Wonderland

Oh-oh

Oh-oh

Oh-oh Don't lose; you better than yourself

Tryna tell me all these faking sounds

I see what it really is

Honest words will never fix

Give it to me; I can hold my own

I know what it's like to be alone

No need to keep me in the dark

Already been, I felt that spark

You don't know how it is

For someone else to own you

Someone else to throw your heart around You need them anyway, I got it

Don't make your own delay, you got it

Look at me standing straight, I'm on it

(Baby, I don't know)

For me to find my way, I get it

You need them anyway, I got it

(Baby, I don't know) Oh-oh

Oh-oh

Oh-oh

Oh-oh

Oh-oh

Oh-oh

Friends that never come will never go  
Swimming through the deep and let it show

Red flag, don't wait; I know, your fate

All the highs but it's never enough

Where were you when I was doing tow

Leave me your phone, all that I know

What am I so? Know that I go You don't know how it is

For someone else to own you

Someone else to throw your heart around You don't know how it is

For someone else to own you

Someone else to throw your heart around You need them anyway, I got it (You)

Don't make your own delay, you got it (Know how)

Look at me standing straight, I'm on it (You)

(Baby, I don't know)

For me to find my way, I get it

You need them anyway, I got it

(Baby, I don't know) You don't know how it is

(Baby, I don't know)

You don't know  
You don't know (Baby I don't know) You don't know how it is  
For someone else to own you  
Someone else to throw your heart around You don't know how it is  
For someone else to own you  
Someone else to throw your heart around
