

My Life (feat. Jason Derulo)

Pitbull

Drop that beat, it's the truth
You don't know what you have until you lose it I've had all the women you could possibly
imagine
In my life, in my life
I've had all the cars, all the cribs, all the money
In my life, in my life I've had my ups, my downs, I paid my dues
Earned my stripes
But nothing compares to the love
I have for you, have for you All I know is the hustle and grind
And all you want is some quality time
But I can't give it to you due to the life that I chose
My heart's so cold to the point my blood it froze
I might wear diamonds if they really could freeze time
But then again time is money and I need mine
There I go again being selfish
And here you go again in love and helpless You mean the world to me, baby you know it's the
truth
But I don't know who I love more, you or the booth
These are just some things I need to get off my chest
Sometimes I feel all I can give you is sex, I'm sorry I've had all the women you could possibly
imagine
In my life, in my life
I've had all the cars, all the cribs, all the money
In my life, in my life I've had my ups, my downs, I paid my dues
Earned my stripes
But nothing compares to the love
I have for you, have for you
I ain't gon' lie baby, this life is addicting
The fame, the money, especially these bitches
I've been around it all, I've seen 'em ball
I've seen 'em fall, go broke and lose it all That's why I work hard 365, 24/7 baby, this my life
I breathe, I bleed, I eat, I sleep, I shit this
I got a bad stomach with these haters on my shit list Baby, I know it's hard to understand
But it's out of my hands, baby this is God's plan
I came, I saw, I conquered
I apologize but this game made me a monster, I'm sorry I've had all the women you could
possibly imagine
In my life, in my life
I've had all the cars, all the cribs, all the money
In my life, in my life I've had my ups, my downs, I paid my dues
Earned my stripes
But nothing compares to the love

I have for you, have for you In my life, I done some wrong
I done some right
In my life, I done some wrong
I done some right In my life, I done some wrong
I done some right
In my life, I done some wrong
I done some right I've had all the women you could possibly imagine
In my life, in my life
I've had all the cars, all the cribs, all the money
In my life, in my life I've had my ups, my downs, I paid my dues
Earned my stripes
But nothing compares to the love
I have for you, have for you I done some wrong and some right, yeah
Derulo, Pitbull, this how we do I've had all the women you could possibly imagine
In my life, in my life
I've had all the cars, all the cribs, all the money
In my life, in my life But nothing compares to the love
I have for you, have for you, yeah
