

# Just Don't Bite It

N.W.A.

Homeboy: godamn, now lick my balls, oh shit.

Bitch: You like that?

Homeboy: Put 'em off

Bitch: It's good?

Homeboy: Ouch, shit, godamn bitch you bit' my damn, shit I said suck the  
mothaf\*\*ka, you're bitin' it, shit!

Narrator: Has this ever happend to you?

Does her teeth get in the way while she's sucking your dick?

Does she know how to suck a dick?

Well, I had that same problem until my bitch went out and buy

N.W.A.'s new book entitled "The art of sucking dick".

Bitch: Lesson 1 - First you grab the dick, next you gently lick it up  
and down, then insert it into the mouth. Take it slow, don't rush  
it, and before you know it .

SPLASH!

Eazy E: It goes one for the treble, two for the bass, She got nut all over her face

Kick kick it ...Slow is the tempo, and Ren is gonna flow

As I produce and illustrate you to a ho'

Caught on the late night, Stampin' on the base-pipe

She's a hype to get you on the late flight

But back in school she was a cutie, yo

Then after graduation started givin' up the booty

In school, stuck her head in a feather

Every time I asked her what's the time

It was never ever what she would talk to the Ren I'm sayin'

I wanted a date, she wouldn't even be my friend

But now in the 1990's, I'd be praying that the bitch don't find me

'cause she's got a gang o' kidz knuckle-heads and all dirty

And she's givin' pimp by a nigga that's 30

I saw her hangin' in the alley

Raggin' to her friends how she's ho'in' in de valley

All by herself, doin' on the whole strole

Comin' back home late night with the bankrobe

You know a bitch like that makes me sick,

But I've heard that she sucks a good dick

It's the world's biggest dick

Don't matter just don't bite it

It's the world's biggest dick

Don't matter just don't bite it

"What do you want me to do with it?"

Don't matter just don't bite itShe swallowed it at a high school dance -

Me and the niggaz bailed in

I saw her sittin' with her friends, With the clan,  
So sexy, thought she was all that  
She wouldn't even look it up because we wore the black hat  
She was a stuck-up bitch on the public floor  
But an instant prostitute behind closed doorz  
On the streets she's a late night feature  
Walkin' home from school saw her suckin' a nigga's dick, another bleacher  
She saw me and she ran and tried to hide her face  
But a bitch full of nut couldn't escape in the chase  
A disgrace, If I ever ever saw one  
There wasn't a nigga on the block  
Late at night not gettin' done, so she begged me not to tell a soul  
Then I said of course 'cause my dick you it's harder than a telepole  
Then again it don't concern me  
'cause there's a slight chance if I fuck she might burn me  
And then I might have to shoot de ho'  
I mean checkin' with de quickness just to let her know  
But to prevent from gettin' sick -  
I would just prefer to let her come and suck my dick  
It's the world's biggest dick  
Don't matter just don't bite it  
It's the world's biggest dick  
Don't matter just don't bite it  
But does she suck a good dick?  
Don't matter just don't bite it She swallowed it now I was at a club on a late late sunday  
Peepin' at the bitches 'till the next day monday  
Had a couple of drinks, so I was feeling good  
And suddenly I saw this bitch who lives in my neighborhood  
She went to church every week so now I locked her  
She was at the end of the bar gettin' fucked up  
Back at the house she was bitch n' be ignorin'  
And when she start to talk the ho' was kinda borin'  
Yo, but now I got to dawn, see  
Now she's dancin' on the floor with a skirt and no panties on  
Shakin' that ass like a salt shaker  
I already got my plans  
Just while I'm a take her to a room  
But yo I mean a restroom  
And stick my dick in her mouth like a wet broom  
So I grabbed her hand and she's with it  
Oh and when she turned sober shouldn't have had admit it  
So while she's dropped I'd better get it quick  
And see for myself if she sucks a good dick It's the world's biggest dick  
Don't matter just don't bite it  
It's the world's biggest dick  
Don't matter just don't bite it  
"What do you want me to do with it?"  
Don't matter just don't bite it  
Lick de big dick, baby, I wanna fuck this one

It's the world's biggest dick  
Don't matter just don't bite it  
It's the world's biggest dick  
Don't matter just don't bite it  
But does she suck a good dick?  
Don't matter just don't bite it  
She swallowed it" So there you have it - a job well done, but for now let me get back to what  
I was doing"  
She swallowed it . She swallowed it .  
Get it all baby, suck this dick, suck this dick for daddy  
suck this diiiiick  
oh, she swallowed it . get it all, suck this dick for daddy .Hey mothafuck, I want you to suck  
Dre's dick,  
Then I want you to suck Yella dick  
You already sucked Ren's dick .YOU BOYZ ARE DISGUSTING!  
Just suck my dick bitch
