

Vibes (Extended Mix)

Jay Hardway

Vibes, I came for the vibes
I'm here to have a good time
I came for the vibes So are you down for the ride?
Vibes, I came for the vibes
I'm here to have a good time
I came for the vibes
So are you down for the ride? That's my vibe
So are you down for the ride? I'm here to have a good time Vibes, I came for the vibes
I'm here to have a good time
I came for the vibes
So are you down for the ride? That's my vibe
So are you down for the ride?
I'm here to have a good time
