

# Let Me Down Easy

## Paloma Faith

Let me down easy  
All your love for me is gone  
Let me down easy  
Since you feel to stay is wrong  
I know its not over  
But the last goodbye, oh woahhhh  
Let me down easy  
When you pass by me babe  
Say hello once in a while  
When you pass by me baby baby  
Does it hurt so much to smile?  
We promised that we'd still be friends  
Till the very, very end  
I'm begging you baby please  
Let me down easy  
I remember our first time  
It was so nice dear  
I never thought wed have to part  
But now its all over  
But the last goodbye  
Im telling you baby please  
Let me down easy  
Let me down easy  
Let me down easy
