

Tebowie

Jimmy Fallon

Tim Tebow to Jesus Christ
Tim Tebow to Jesus Christ
Can't win by myself but with your help I might
(Ten) Tim Tebow (Nine) to Jesus Christ (Eight)
(Seven, Six) Commencing 4th (Five) down hut hut hike (Four)
(Three, Two) Snap the football (One) and (Touchdown) may God's love be with me This is
Jesus Christ to Tim Tebow
Please leave me alone
Don't you know my day of rest is Sunday
And I'm sick of watching all these Broncos Games
I hear that you play New England next week
Dude you're on your own
Brady is too good and I've got better things to do!
Though I've passed 316 yards there's still two games to go
If I want to make it to the Super Bowl
And show everyone on Earth how to Tebow
Tim Tebow to Jesus Christ
The Broncos won we're still alive
C'mon everyone Tebow
C'mon everyone Tebow
C'mon everyone Tebow
C'mon everyone Tebow
