

# New Divide

## LINKIN PARK

I remembered black skies  
The lightning all around me  
I remembered each flash  
As time began to blur  
Like a startling sign  
That fate had finally found me  
And your voice was all I heard  
That I get what I deserve So give me reason  
To prove me wrong  
To wash this memory clean  
Let the thoughts cross  
The distance in your eyes  
Give me reason  
To fill this hole  
Connect this space between  
Let it be enough to reach the truth that lies  
Across this new divide  
There was nothing inside  
But memories left abandoned  
There was nowhere to hide  
The ashes fell like snow  
And the ground caved in  
Between where we were standing  
And your voice was all I heard  
That I get what I deserve So give me reason  
To prove me wrong  
To wash this memory clean  
Let the thoughts cross  
The distance in your eyes  
Across this new divide  
In every loss in every lie  
In every truth that you denied  
And each regret and each goodbye  
Was a mistake too great to hide  
And your voice was all I heard  
That I get what I deserve So give me reason  
To prove me wrong  
To wash this memory clean  
Let the thoughts cross  
The distance in your eyes  
Give me reason  
To fill this hole

Connect this space between  
Let it be enough to reach the truth that lies  
Across this new divide  
Across this new divide  
Across this new divide
