I Never Knew the Meaning of Christmas

*NSYNC

Fa la la Fa la la la la la la Lookin back on childhood days
I can't believe my foolish ways
Thought that Christmas only came from the stores
And to know what was there for me,
Underneath the Christmas tree
Didn't know that there could be so much more
But in all of the rush
I was missin so much
Girl, you make me finally see
I never knew the meaning of Christmas
Till you came into my life
I was lost in the dark
Till you opened my heart
Like an angel shining bright

ke an angel shining brig I wished on a star And girl here you are Suddenly I realize

That I never knew the meaning of Christmas
Until I looked into your eyesComin' home for the Holidays
Seein' friends from around the way
There was always something missin for me
On a sleigh ride caroling

Did it really mean anything?

Without that someone who can make it complete

While the snow's fallin down,

There was joy all around

Cuz girl, your love has shown me the way

I never knew the meaning of Christmas

Till you came into my life

I was lost in the dark

Till you opened my heart

Like an angel shining bright

I wished on a star

And girl here you are

Suddenly I realize

Girl you make me finally seeI never knew the meaning of Christmas

Till you came into my life

I was lost in the dark

Till you opened my heart

Like an angel shining bright

I wished on a star

And girl here you are

That I never knew the meaning of Christmas
Until I looked into your eyesThat I never knew the meaning of Christmas
Till I looked into your eyes
