

Last Friday Night (T.G.I.F.)

Katy Perry

There's a stranger in my bed
There's a pounding in my head
Glitter all over the room
Pink flamingos in the pool smell like a minibar
DJ's passed out in the yard
Barbies on the barbecue
Is this a hickey or a bruise? Pictures of last night ended up online
I'm screwed, oh well
It's a blacked out blur but I'm pretty sure
It ruled, damnLast Friday night
Yeah, we danced on tabletops
And we took too many shots
Think we kissed but I forgot
Last Friday night
Yeah, we maxed our credit cards
And got kicked out of the bar
So we hit the boulevardLast Friday night
We went streaking in the park
Skinny dipping in the dark
Then had a ménage à troisLast Friday night
Yeah, I think we broke the law
Always say we're gonna sto-op, whoaBut this Friday night do it all again
But this Friday night do it all againTrying to connect the dots
Don't know what to tell my boss
Think the city towed my car
Chandelier is on the floor
Ripped my favorite party dress
Warrants out for my arrest
Think I need a ginger ale
That was such an epic failPictures of last night ended up online
I'm screwed, oh well
It's a blacked out blur but I'm pretty sure
It ruled, damnLast Friday night
Yeah, we danced on tabletops
And we took too many shots
Think we kissed but I forgotLast Friday night

And got kicked out of the bar
So we hit the boulevardLast Friday night

Skinny dipping in the dark
Then had a ménage à troisLast Friday night

Always say we're gonna sto-op, whoaBut this Friday night do it all again
But this Friday night do it all againBut this Friday nightT.G.I.F., T.G.I.F., T.G.I.F.

T.G.I.F., T.G.I.F., T.G.I.F.Last Friday night

Yeah, we danced on tabletops
