

# His Mistakes

Usher

Do I remind you of the pain  
That he put you through, girl?  
Is that the reason I'm to blame  
Before I do it? Is it because he treated you badly  
I always stand accused?  
Protecting yourself from somebody else  
I'm not who's hurting you, girl And it's killing me girl, knowing  
You compare me to him  
Always guilty before the sin  
I can't win, I can't win, no I'll do anything to prove I love you  
Baby girl, but I refuse to  
Pay for something I didn't do, I love you, girl  
But I refuse to stay paying for his mistakes  
He left a scar across your heart  
I understand, girl  
Don't let his wrongs tear us apart, no  
Girl, I'm your man Just because he did, you swear I'm cheating  
You think I just don't care  
Why must I do time for another man's crime?  
Girl, you know that ain't fair, no, no And it's killing me, girl  
Knowing you compare me to him  
Always guilty before the sin  
I can't win, no, I can't win I'll do anything to prove I love you  
Baby girl, but I refuse to  
Pay for something I didn't do, I love you, girl  
But I refuse to stay paying for his mistakes  
I know he did you wrong  
But tell me, what does that have to do with me?  
Trying to show you something real  
Figure out what is going on  
Before you look up and I'll be gone Oh, I'll do anything to prove I love you  
Baby girl, but I refuse  
To pay for something I didn't do, girl  
I love you and I love you, I love you I'll do anything to prove I love you  
Baby girl, but I refuse  
To pay for something I didn't do, no  
I love you, girl  
But I refuse to stay paying for his mistakes
