

Red Swan (feat. HYDE)

YOSHIKI

Like the sky at night
There in the dark
You can hide your fear
Can lie my dear Kono mama yume wo mite
Chidarake no tsubasa
Hirogete What's the lie?
What's the truth?
What to believe? Like a fallen angel
Toki no kaze ni nagasarete ochite yuku Into the starry night Nagami no you ni
Dakishimete eien wo
Fly to heaven
