## I Love You Like That

## John Rich

Lord only knows, just how far I would go To show you the way that I feel This rumbling inside me, continually drives me Like ten thousand chariot wheelsOh, I love you like that Yes, I love you like that Anything, anywhere, it's beyond all compare Oh, I love you like thatLike the mountains that rise Almost touching the sky As tall as the oceans are deep Like the stars of the galaxies And everything in between And farther than my eyes can seeYes, I love you like that Oh, I love you like that Anything, anywhere, it's beyond all compare Oh, I love you like that, woahIt's not enough to say So, I? ll show you everyday How much your love means to meThis promise, I? ll make you To never forsake you To my dying day, I will keep? Cause I love you like that Oh, I love you like that Anything, anywhere, it's beyond all compare Yes, I love you like that I love you like that Yes, I love you like that Anything, anywhere, it's beyond all compare Yes, I love you like that Yes, I love you like that Yes, I love you like that
