

# 24 Karat Gold

Stevie Nicks

Set me free, set me free  
Is this what you wanted to happen to me  
Golden wings in the sunset  
Take me back  
All alone I waited  
But there was no one up there  
There were dreams to be sold  
(chains, chains)  
My 24 karat gold  
(chains, chains)  
There was some love to be shown  
(chains, chains)  
They said you might be coming back to town  
(chains, chains)  
All alone I waited  
There was no one up there  
In the rain she lay face down...  
What is this freedom she wanted What kind of freedom?  
What kind of game? There were dreams to be sold  
(chains, chains)  
My 24 karat gold  
(chains, chains)  
There was some love to be shown  
(chains, chains)  
You said you might be coming back to town  
(chains, chains)  
Set me free, set me free  
Is this what you wanted to happen to me  
Golden wings in the sunset  
Take me back  
All alone I waited  
But there was no one up there  
There were dreams to be sold  
(chains, chains)  
You liked my 24 karat gold chain of chains...  
(chains, chains)  
(chains, chains)  
You liked my 24 karat gold  
(chains, chains)  
Yes, You liked my 24 karat gold  
Yeah  
My love
