## Snoop Dogg

Uh-huh, hmm... I was chillin, right around my way (way!)  
21st eastside of the Beach  
This motherfucker ran up on me  
Talkin shit with his homies like he was a straight. GAskin where I'm from while he runnin up  
Gangbang, my set on e'ry one of 'em (true)  
Some things, sons they just won't change  
Fools don't respect nuttin but the gangbang (bang!)What's seen is what's saw, Dogg is the law  
I have you niggas runnin like a marathon  
Little G's tryna creep, on the East with it  
Talkin 'bout they gon' get my chain and they gon' leave with it (nmm hmm!)  
But they don't know once they get close  
It's Tic-Tac Toe, three motherfuckers laid on the floor (watch out!)  
Yeah, this happened yesterday  
On the West they spray - I heard the ese say, he said...  
Vato, you won't believe what I sawI saw these pack of guys and they act real hard (and what  
they do?)  
They twist the fingers and said, "You know who we are"  
He said, "I don't give a fuck, I'm Snoop Doggy Dogg" (uh huh!)  
They keep buckin and it went too far  
So Snoopy, he went straight to the trunk of his car (and what he get?)He got his gun and they  
start runnin' hard  
He started firing and then he just charged  
(BLAOWW!) Run nigga, run nigga!  
(BLAOWW!) Duck nigga, duck nigga!  
(BLAOWW!) Run, motherfucker run!(BLAOWW!) Run, motherfucker run!  
(BLAOWW!) Run nigga, run nigga!  
(BLAOWW!) Duck nigga, duck nigga!  
(BLAOWW!) Run, motherfucker run!  
(BLAOWW!) Run, motherfucker run!  
I didn't mean to hit what I hit  
Now that's three motherfuckers dead now I ain't seen shit  
But these niggas'll scream for plea  
But for a G like me, it's just a case really you could seeI crack the Mac back and pop off rollin  
And smack ya neck back, ya drop off, fallin  
I haven't seen my momma in a week  
And she ain't even ran her mouth about meFuck that, I ain't give a fuck about the law  
Niggas say they wanna brawl, you would think that they were brawlers  
Believing all the things that you never saw  
In it y'all, been a Dogg, smoke you like a Menthol  
You think you know? But this can't goYou think you'll blow? On my door? What the fuck No!  
See these niggas proceed to speed  
So feel the need to leave or you'll hear my enemies goin...

Vato, you won't believe what I saw  
I saw these pack of guys and they act real hard (and what they do?)  
They twist the fingers and said, "You know who we are" He said, "I don't give a fuck, I'm  
Snoop Doggy Dogg" (uh huh!)  
They keep buckin and it went too far  
So Snoopy, he went straight to the trunk of his car (and what he get?)  
He got his gun and they start runnin' hard

(BLAOWW!) Run nigga, run nigga! (BLAOWW!) Duck nigga, duck nigga!  
(BLAOWW!) Run, motherfucker run!  
(BLAOWW!) Run, motherfucker run!  
I wouldn't be the nigga that I am If I didn't pop niggas in their mouth God... damn!  
And Snoop'll keep one foot on the streets  
And leave 'em covered in sheets, run with them niggas with the heat  
You never seen a thug like dis  
You never seen a dub like me  
And I ain't weak for wanting peace In fact I could be "Beast of the East" motherfucker!  
I never hesitate to blaze (blaze!)  
A nigga really tryna change his ways  
We gotta move my team, cause my peoples Is screaming that we need more for fun or it's illegal  
Put the bang on the song, make it feel like a drive-by (drive-by!)  
It's a shame but somebody's gotta die (die!)  
They see it happens state-to-state  
But when I'm mobbin L.A., all I hear the ese's say - they go... Vato, you won't believe what I saw  
I saw these pack of guys and they act real hard (and what they do?)  
They twist the fingers and said, "You know who we are"
