

3 am

Matchbox Twenty

She said it's cold outside and she hands me my raincoat
She's always worried about things like that
She says it's all gonna end and it might as well be my fault
And she only sleeps when it's raining
And she screams and her voice is straining She says baby
It's 3 am I must be lonely
When she says baby
Well I can't help but be scared of it all sometimes
And the rain's gonna wash away I believe it She's got a little bit of something, God it's better
than nothing
And in her color portrait world she believes that she's got it all
She swears the moon don't hang quite as high as it used to
And she only sleeps when it's raining
And she screams and her voice is straining
She says baby
It's 3 am I must be lonely
When she says baby
Well I can't help but be scared of it all sometimes
And the rain's gonna wash away I believe it She believes that life is made up of all that you're
used to
And the clock on the wall has been stuck at three for days, and days
She thinks that happiness is a mat that sits on her doorway
But outside it's stopped raining She says baby
It's 3 am I must be lonely
When she says baby
Well I can't help but be scared of it all sometimes
And the rain's gonna wash away I believe it
She says baby
It's 3 am I must be lonely
When she says baby
Well I can't help but be scared of it all sometimes
