The Wanderer (feat. Johnny Cash)

U2

I went out walking
Through streets paved with gold
Lifted some stones
Saw the skin and bones
Of a city without a soul
I went out walking
Under an atomic sky
Where the ground won't turn
And the rain it burns

Like the tears when I said goodbyeYeah I went with nothing Nothing but the thought of you

I went wandering

I went drifting

Through the capitals of tin

Where men can't walk

Or freely talk

And sons turn their fathers in
I stopped outside a church house
Where the citizens like to sit
They say they want the kingdom
But they don't want God in itI went out riding
Down that old eight lane
I passed by a thousand signs

Looking for my own nameI went with nothing
But the thought you'd be there too

Looking for you
I went out there
In search of experience
To taste and to touch
And to feel as much
As a man can

Before he repentsI went out searching
Looking for one good man
A spirit who would not bend or break
Who would sit at his father's right hand
I went out walking
With a bible and a gun
The word of God lay heavy on my heart
I was sure I was the one
Now Jesus, don't you wait up
Jesus, I'll be home soon
Yeah I went out for the papers

Told her I'd be back by noonYeah I left with nothing
But the thought you'd be there too
Looking for youYeah I left with nothing
Nothing but the thought of you
I went wandering
