

Bmblb (feat. Casey Lee Williams)

Jeff Williams

There's a garden
Where I go
If you meet me there
No one will know
In the springtime
In the sun
We can be alone
Without anyone
All the butterflies
And the birds
Keep our secret
No, they won't say a word
But they watch us
And they know
And they're happy
As they see our love grow
We'll sit for a while
As I drink in your smile
It feels like a dream that's come true
My head starts to buzz
And my heart fills with love
Over you
Baby, can't you see?
You could be with me
We could live inside a garden of ecstasy
You could be my queen
I could be your dream
Our lives like a fantasy
Maybe set me free
Let me be your bumblebee
Now the flowers
Are in bloom
And you chased away my darkness and gloom
When the wind blows
Through the trees
And your voice is like a song in the breeze
My doubts disappear
Everytime that you're near
Clouds seem to run from the sky
The thought of your kiss
Sends my soul into bliss
I get high
Baby, can't you see?
You could be with me
We could live inside a garden of ecstasy

You could be my queen
I could be your dream
Our lives like a fantasy
Maybe set me free
Let me be yourLike a serenade
Every word you say
Has me falling
More and more in love with youLike a purr-die beat
You are oh, so sweet
Every day is sunny
Tastes like honey
Feels so alive
Take me back to the hiveBaby, can't you see?
You could be with me
We could live inside a garden of ecstasy
You could be my queen
I could be your dream
Our lives like a fantasy
Maybe set me free
Let me be your bumblebee
