Politik

Coldplay

Look at earth from outer space Everyone must find a place

Give me time and give me space

Give me real, don't give me fakeGive me strength, reserve control

Give me heart and give me soul

Give me love, give us a kiss

And tell me your own politikOpen up your eyes

Open up your eyes

Open up your eyes

Open up your eyes

Give me one, cause one is best

In confusion, confidence

Give me piece of mind and trust

But don't forget the rest of usGive me strength, reserve control

Give me heart and give me soul

Wounds that heal and cracks that fix

Tell me your own politikOpen up your eyes

Open up your eyes

Open up your eyes

Open up your eyes

And give me love over

Love over, love over this, ahh

Give me love over

Love over, love over this, ahh
