

# Path of Totality

## Tombs

There's a hole in the sky.  
Silence and whispers fall to the earth.  
Planting seeds of violent joy.  
Pull back the veil.  
Reveal the secret world.  
This world of lies.  
You stand alone.  
In this secret world.  
You stand alone.  
In your world of lies.  
There's a space behind your eyes.  
There's a void in your soul.  
I'll wait behind the walls.
