Decode

Paramore

How can I decide what's right
When you're clouding up my mind?
I can't win your losing fight
All the timeHow can I ever own what's mine
When you're always taking sides
But you won't take away my pride

No, not this timeNot this timeHow did we get here?

When I used to know you so well

How did we get here?

Well. I think I know

The truth is hiding in your eyes

And it's hanging on your tongue

Just boiling in my blood

But you think that I can't seeWhat kind of man that you are

If you're a man at all

Well, I will figure this one out

On my own(I'm screaming, "I love you so")On my own(My thoughts you can't decode)

How did we get here?

When I used to know you so well YeahHow did we get here?

Well, I think I know

Do you see what we've done?

We've gone and made such fools of ourselvesDo you see what we've done?

We've gone and made such fools of ourselves

Yeeeeeaaaah...

How did we get here?

When I used to know you so well Yeaah, yeah, yeah

Well, how did we get here?

Well, I used to know you so well

I think I know

I think I know

There is something

I see in you

It might kill me

I want it to be true
