

# Run

## Air

Holy girl  
Don't get up  
For running Stay with me  
I feel sad  
When you run Sands of time  
Are lying  
On my chest  
Stay in bed  
I feel sad  
When you run Stay like this  
On the hills  
Of my chest Don't wake up  
I feel strange  
When you go  
Stop the night  
Hold me tight  
Holy girl Don't stand up  
I feel strange  
When you go
