

# When the Sun Goes Down

## Arctic Monkeys

So who's that girl there?  
I wonder what went wrong  
So that she had to roam the streets  
She don't do major credit cards  
I doubt she does receipts  
It's all not quite legitimate And what a scummy man  
Just give him half a chance  
I bet he'll rob you if he can  
Can see it in his eyes, yeah  
That he's got a driving ban  
Amongst some other offences And I've seen him with girls of the night  
And he told Roxanne to put on her red light  
They're all infected but he'll be alright  
Cause he's a scumbag, don't you know  
I said he's a scumbag, don't you know!  
Although you're trying not to listen  
Avert your eyes and staring at the ground  
She makes a subtle proposition  
I'm sorry love I'll have to turn you down He must be up to something  
Want half a chance to show he's more than likely  
I've got a feeling in my stomach  
I start to wonder what his story might be  
What his story might be They said it changes when the sun goes down  
And they said it changes when the sun goes down  
And they said it changes when the sun goes down  
Around here  
Around here And look here comes a Ford Mondeo  
Isn't he Mister Inconspicuous  
And he don't even have to say 'owt  
She understands she's here to get picked up  
And she's delighted when she sees him  
Pulling in and giving her the eye  
Because she must be fucking freezing  
Scantly clad beneath the clear night sky  
She don't stop in the winter, no and... They said it changes when the sun goes down  
And they said it changes when the sun goes down  
And they said it changes when the sun goes down  
Around here They said it changes when the sun goes down  
Over the river going out to town  
And they said it changes when the sun goes down  
Around here  
Around here What a scummy man

Just give him half a chance  
I bet he'll rob you if he can  
Can see it in his eyes that he's got a nasty plan  
I hope you're not involved at all
