Never Too Late

Three Days Grace

This world will never be What I expected And if I don't belong Who would have guessed it I will not leave alone Everything that I own To make you feel like it's not too late It's never too lateEven if I say It'll be alright Still I hear you say You want to end your life Now and again we try To just stay alive Maybe we'll turn it all around 'Cause it's not too late It's never too late No one will ever see This side reflected And if there's something wrong Who would have guessed it And I have left alone Everything that I own To make you feel like It's not too late It's never too lateEven if I say It'll be alright Still I hear you say You want to end your life Now and again we try To just stay alive Maybe we'll turn it all around 'Cause it's not too late It's never too late The world we knew Won't come back The time we've lost Can't get back The life we had Won't be ours againThis world will never be What I expected And if I don't belong Even if I say It'll be alright

Still I hear you say
You want to end your life
Now and again we try
To just stay alive
Maybe we'll turn it all around
'Cause it's not too late
It's never too late
Maybe we'll turn it all around
'Cause it's not too late
It's never too late
It's never too late
It's never too late
It's never too late
