Somebody to Love

Justin Bieber

For you, I'd write a symphony I'd tell the violin It's time to sink or swim Watch them play for ya For you, I'd be Running a thousand miles Just to get to where you are Step to the beat of my heart I don't need a whole lot But for I admit I I'd rather give you the world Or we can share mine I know I won't be the first one Giving you all this attention Baby listen I just need somebody to love I, I don't need too much Just somebody to love Somebody to love I don't need anything else, I promise, girl, I swear I just need somebody to love I need somebody I, I need somebody I need somebody I, I need somebody Every day I bring the sun around I sweep away the clouds Smile for me I would take Every seconds, every single time Spend it like my last dime Step to the beat of my hear I don't need a whole lot But for you I admit I I rather give you the world Or we can share mine I know I won't be the first one Givin' you all this attention Baby listen I just need somebody to love I, I don't need to much, just somebody to love
