

Heaven's Song

Bethel Music & Jeremy Riddle

We have come, as one heart
As one voice, to join Heaven's
Endless song on the earth
Lifting up our adoration
Towards Your throne, praises rise
Songs of love are now ascending
For the King, for the Lamb
Who gave His life to save us Holy, Holy, Holy
All of Heaven cries
Worthy, Worthy, Worthy
For You were crucified
living creatures call out
all the elders fall down
A sacrifice of living praise
We bring our all for You have beckoned
Us into a holy place
A holy love, Your very presence
now we stand wondrous awe
A glory cry we raise to Heaven
With holy hands and lifted hearts
eyes upon our Savior Holy, Holy, Holy
All of Heaven cries
Worthy, Worthy, Worthy
For You were crucified
living creatures call out
all the elders fall down
fall down and worship
worship, we worship Holy, Holy, God most Holy
Worthy to receive all glory
Heaven's shouting as we glorify
