

Remember Me

Jennifer Hudson

There you are
Yeah you found me
Strong enough to break my sleep
Say you're hurt
Say you're lonely
Say I forgot to give you what you need
But I promise you gold
Yeah I have it hold
I was bound to was bound to
I couldn't give anymore
'cause it's already yours
Look around you, look around you It's all to you
Remember me
In those moments just before you sleep
I know you'll remember me
Swear to me the memories that I see
Promise me
That it doesn't make your heart beat
Doesn't make your heart beat
I know you
You know me
Oh baby we don't even have to scream
