

California Girls

David Lee Roth

Well, East coast girls are hip
I really dig those styles they wear
And the Southern girls, with the way they talk
They knock me out when I'm down there
The Mid-West farmers' daughters
Really make you feel alright
And the Northern girls with the way they kiss
They keep their boyfriends warm at night
(I dig the girls!)

I wish they all could be California
I wish they all could be California
I wish they all could be California girls
The West coast has the sunshine
And the girls all get so tanned
I dig a French bikini on Hawaii island coast
By a palm tree in the sand
I been all around this great big world
And I've seen all kinds of girls
Yeah, but I couldn't wait to get back in the States
Back to the cutest girls in the world
(I dig the girls!)

I wish they all could be California
I wish they all could be California girls
(Girls, girls, girls, yeah I dig the girls)
I wish they all could be California
(Girls, girls, girls, yeah I dig the girls)
I wish they all could be California
(Girls, girls, girls, yeah I dig the girls)
I wish they all could be California
(Girls, girls, girls, yeah I dig the girls)
I wish they all could be California
(Girls, girls, girls, yeah I dig the girls)
