

For a Moment

Elevation Worship

Peace be still you are with me
In this hope I abide
Jesus be my sustainer
Strengthen me in this trial And I know, it's only for a moment
And everything is working for your glory
But I need, your perfect love to hold me
Safe within your promise
Til the storm has passed When this burden is lifted
I'll give praise to your name
But until it is finished
I'll give thanks just the same
For we have this hope
As an anchor for our soul
You are with us
We will never be alone
