

Clowns (Can You See Me Now?)

t.A.T.u.

Can you see me now?
Can you see me now?
Can you see? All this weeping in the air who can tell where it will fall?
Through floating forests in the air 'cross the rolling open sea
Blow a kiss, I run through air, leave the past, find nowhere
Floating forests in the air, clowns all around you Clowns that only let you know where you let
your senses go
Clowns all around you, it's a cross I need to bear
All this black and cruel despair, this is an emergency
Don't you hide your eyes from me, open them and see me now Can you see me now?
Can you see?
Can you see me now?
Can you see?
Can you see?
Can you see?
Can you see? Can you see me now?
Can you see?
Can you see?
Can you see me now? Can you see me now?
Clowns all around you
Can you see? Can you see?
Can you see?
Can you see me now? See me here in the air not holding on to anywhere
But holding on, so beware I have secrets I won't share
See me here pushing you, if I then deny I do
Contemplate or wish away, if I ask you not to stay
Clowns that only let you know where you let your senses go
Clowns all around you, it's a cross I need to bear
All this black and cruel despair, this is an emergency
Don't you hide your eyes from me, open them and see me now Can you see me now?
Can you see me now? Can you see?
Can you see?
Can you see? Can you see?
Can you see me now? Clowns all around you
Can you see me now?
Can you see? Can you see me now?
Can you see?
Can you see?
Can you see me now?
