

Army of One

Coldplay

Been around the world, wonders to view
Been around the world, looking for someone like you
Pyramids try, Babylon too
But the beautiful-est treasures lie in the deepest blue So I'll never say die, I'm never untrue
I'm never so high as when I'm with you
And there isn't a fire, that I wouldn't walk through
My army of one is going to fight for you Been around the world, universe too
I've been around flying, baby, there's nothing I wouldn't do
Dance with the stars, while I see the moon
I'll be standing there besides you
Right when the storm comes through
Cause I'll never say die, I'm never untrue
I'm never so high as when I'm with you
And there isn't a fire, that I wouldn't walk through
My army of one is going to fight for you
My army of one is going to fall for you, yeah Cause you're right, cause you're right
Cause you're right
My army of one is gonna call it through
Say my heart is my gun, army of one
Yeah my heart is my gun, army of one
Is my only weapon, army of one
Say my heart is my gun, army of one
