

# Better Now

## Blanks

You probably think that you are better now, better now  
You only say that 'cause I'm not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything  
I did not believe that it would end, no  
Everything came second to the Benzo  
You're not even speaking to my friends, no  
You knew all my uncles and my aunts though  
Twenty candles, blow 'em out and open your eyes  
We were looking forward to the rest of our lives  
Used to keep my picture posted by your bedside  
Now it's in your dresser with the socks you don't like  
And I'm rollin', rollin', rollin', rollin'  
With my brothers like it's Jonas, Jonas  
Drinkin' Henny and I'm tryna forget  
But I can't get this sh\*t outta my head  
You probably think that you are better now, better now  
You only say that 'cause I'm not around, not around  
You know I never meant to let you down, let you down  
Woulda gave you anything, woulda gave you everything (woah)  
Better now, better now yeah  
I'm bbbb better now, better now yeah  
I'm bbbb better now, better now yeah  
I'm bbbb better now, better now uuhh yeah  
Better now, better now yeah  
I'm bbbb better now, better now yeah  
I'm bbbb better now, better now yeah  
I'm bbbb better now, better now uuhh yeah
